TREEMENDOUS

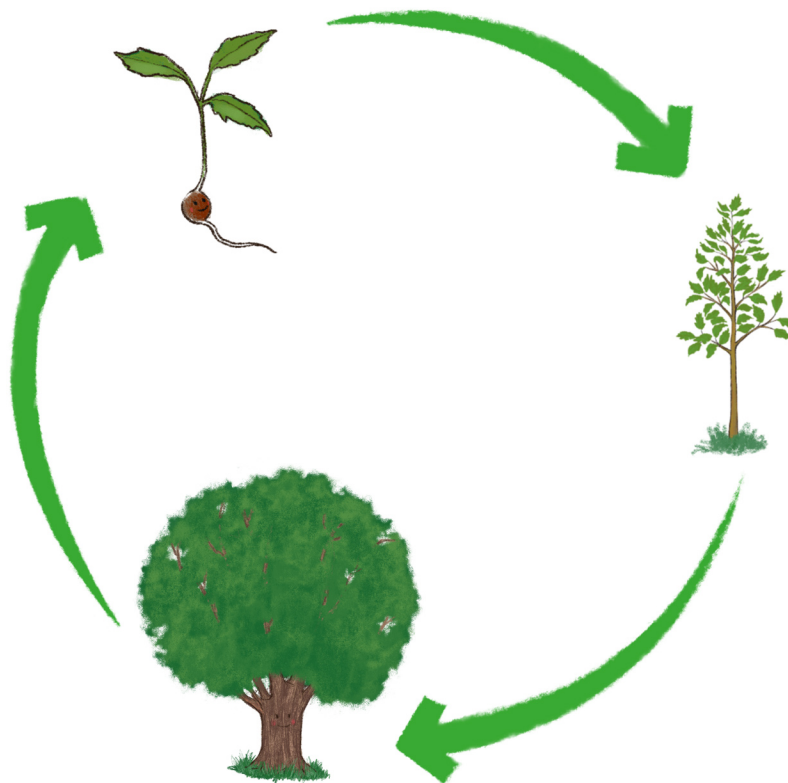

Life Cycle Activity

MY LIFE AS A _____

Write a story from the point of view of a plant or animal.

1. Research its life cycle using a book or reliable website.
2. On the life cycle diagram, write 3 important things that happen.

Example:

3. On the following page, write a 3-sentence story describing your life cycle. Remember to write in the first person (I, we). YOU are the plant or animal.

Example: Did you know I used to be a teeny tiny acorn? Then one day-pop-I sprouted into a tree. I grew and grew until I was a full-grown tree with acorns of my own.
